## Crimson Clover Seed

The Government is handling Crimson Clover Seed diversely this year than last. Instead of furnishing the seed, the AAA will pay you 15¢ per lb. for the seed used, not to exceed \$4.00 per acre.

There is nothing better than Crimson Clover for seeding at this time, as a land improver, cover crop, and pasture. We can supply your needs at 22¢ per lb., providing you place your order now. The crop is short; the price is advancing.

CLOVER — RYE GRASS MIXTURE

Crimson Clover and Rye Grass 15 lb. each acre is an excellent mixture for seeding now and carries AAA allowances. Rye Grass 13 1/2¢ per lb.

Please let us know at once how much Crimson Clover and Rye Grass you will need.
